France					
Loire					
2005	Muscadet Sevre et Maine sur Lie Chateau des Templiers Classic Muscadet from 100% Melon de Bourgogne. Aged "sur lie" to give extra body and a very delicate spritz. Packed full of flavour with only 2 g/l residual sugar, shows why this wine style has long been the go to choice for drinking with a plate of fruits de mer.	2013	Loire	France	26
2013	Touraine Sauvignon Blanc Les Nuages Les Nuages - the clouds - demonstrate the value for money that can be found in some of the Loire Valley's less celebrated outposts such as Touraine and St Pourcain. This is a lively Loire Sauvignon with classic citrus lemon and lime fruit on the nose and palate. Crisp and dry with refreshing, seafood-friendly acidity on the finish.	2014	Loire	France	24
2023	Clos de Nouys Vouvray Demi-Sec Clos de Nouys is the essence of Vouvray. Indeed this 25 acre estate is found just outside the eponymous sleepy village. While the vines are on average 35 years old in this part of the Loire Valley, it's a comparative young upstart, considering the Vouvray appellation was one of the first to be officially recognised. This wine has sweet flavours of citrus fruit and acacia flowers with a touch of fresh almonds. It's well-balanced between freshness and body.	2014	Loire	France	30
2025	Pouilly Fumé Les Berthiers Claude Michot A small grower with a real passion for his terroir, Claude Michot produces a wine that is very typical of St Andelain - a hamlet made famous by the late, great Didier Dagueneau - in that it has a flinty, almost 'capgun' smoke scented nose and racy acidity. Claude is a pretty busy man though as he does it all on his own - this allows him to be completely uncompromising in his pursuit of excellence and consistency. From pure Sauvignon Blanc this wine is light and crisp, and has intense, citrus and peach aromas with a mineral finish.	2010	Loire	France	46
2030	Sancerre Blanc Le Colombier Roger Champault This 100% Sauvignon is picked from the oldest of vines. To achieve complexity, the lees are stirred in the barrels (bâtonnage) which creates a "fatter" wine. The wine then ages for a total of one year. The result- a golden yellow coloured wine with a powerful bouquet of exotic fruits . On the pallet, it has a lingering finish with touches of hazelnut and green apple.	2013	Loire	France	44
Burgundy					
2110	Chablis Domaine Vrignaud 100% Chardonnay, 1 g/l residual sugar and not a whiff of oak, this is as pure a traditional flinty Chablis as you can get. Domaine Vrignaud in Fontenay, is managed by the family with Guillaume Vrignaud (son) responsible for making the wines. Guillaume is incredibly passionate about the land they farm, they have used no fertilizers for over 20 years, no longer use any pesticides and have been experimenting with the organic treatments championed in bio-dynamics. All of these factors have a huge impact on the vine, lowering yields, lowering ph and prolonging the ripening period allowing for better balance in the wines and heightened acidity levels. The grapes for all of their wines are hand picked and hand sorted.	2013	Burgundy	France	46
2115	Chablis Grand Cru Bougros Maison Dampit This is amongst the top Chablis available. The fruit complexity is exemplary and the length goes on and on. Daniel Dampit is one of Burgundy's most celebrated producers, and he produces wines under both his own name and that of Jean Defaix, his father-in-law. The house style produces clean, ultra-pure, wines with bright steely acidity and not so much as a hint of oak. This wine is made by Daniel's sons Vincent and Sebastien, both of whom have spent time working in Australia, and is barrel-fermented. It has a complex, steely character with a long finish.	2014	Burgundy	France	99
2125	Macon Villages, Les Vignerons des Terres Secretes From a co-operative formed in the early 20th century in the Maconnais, the most southern region of Burgundy, there's is the only winery situated in the legendary site of Solutré-Pouilly-Vergisson. They are true masters of the Chardonnay grape, with 650 of their 950 ha being planted with this varietal. Pneumatic presses are used to gently extract the juice from the Chardonnay grapes, and fermentation and maturation involves no new oak, thus delivering maximum freshness in the wine. A fantastic, and inexpensive, alternative to Chablis.	2014	Burgundy	France	27

2130	Puligny Montrachet Vieilles Vignes Domaine Alain Chavy	2011	Burgundy	France	99
	This Domaine was created when two brothers, Alain and Jean-Louis, decided to split their father's holdings in half. Their father had taken the bold step to bottle wine under his own label rather than sell to negociants, this pioneering spirit is still found in the Domaine's approach today. This is luscious and open, with peach, melon, ripe apple and grapefruit flavours.				
2140	Montagny 1er cru Domaine Alain Roy	2012	Burgundy	France	40
	Stunningly good value wine from the Domaine Alain Roy. Purely stainless steel production with no oak used at all makes this a crisp and clean wine with aromas of white flowers and hints of apricot fruit and abounding with minerality. The production methods used ensure that this wine is suitable for people following a Vegan or Vegetarian diet.				
2145	Puilly-Fuissé Cuvée Classique Beauregard	2012	Burgundy	France	60
	Located in the south of Burgundy, in the Mâconnais region, the Pouilly Fuissé appellation is situated. The total area of the Pouilly-Fuissé appellation is planted with Chardonnay. In this Pouilly-Fuissé the aromas are complex and dense, a little buttery, with toasted and dry fruit hints.				
Bordeaux					
2150	Chateau St-Genes, Entre-Deux-Mers	2013	Bordeaux	France	27
	This is a Chateau the Courselle family purchased 14 years ago just down the road from Thieuley in the Entre-Deux-Mers region. What is a particular characteristic of this estate is the addition of Sauvignon Gris to the Sauvignon blend and the high proportion of Semillon. The combination of varieties gives the wine so much character and structure. The Gris gives body and density, the Semillon acidity and minerality, the Sauvignon unsurprisingly aromatics but there are none of the tinned asparagus or leafy flavours sometimes associated to Sauvignon.				
6010	Chateau du Levant Sauternes 37.5ml	2011	Bordeaux	France	29
	(DESSERT WINE, Half Bottle) Chateau de Levant is the second wine of Chateau Liot, an excellent Barsac property located very close to Chateau Climens. The property has 21ha of vines with a heavy bias towards Semillon and smaller proportions of Muscadelle and Sauvignon Blanc. Made from the estate's younger vines, the Chateau de Levant bottling is completely unoaked producing a very fresh, pure expression of Sauternes with the emphasis firmly on the fruit. Open fruity nose with botrytis and apricot notes twinned with honey flavours. Well balanced in the palate without being overwhelmed by richness. The length is characterised by a fruity and vanilla finish.				
2210	Crozes Hermitage Blanc Les Jalets Paul Jaboulet Aine	2013	Rhone	France	49
	Since the early 19th century Paul Jaboulet Aine has been synonymous with quality wine in the Rhone. In 1834, Antoine Jaboulet (1807-1864) started working the land in this region, creating a lasting link between the Jaboulet name and the Rhone over the generations. 100% Marsanne grapes harvested by hand into 25kg crates, then pressed directly so as to minimise the danger of oxidation, the wines are vinified in casks for 30% of the blend. Malolactic fermentation is carried out in barrels and stirring enables the lees to remain in suspension. For the wines in vats, this malolactic fermentation occurs in the vats.				
Alsace					
2310	Jean Biecher Gewurztraminer	2013	Alsace	France	34
	The Biecher family have been making wines in Alsace since 1776. Their wines follow the Alsace style, which have helped cement their position as one of the leading producers in the region. This Gewurztraminer is a full-bodied wine, with solid structure and a round fullness. It has a subtle freshness and aromatic palate, with the addition of liquorice.				
2320	Biecher & Schaal Riesling Grand Cru Sommerberg	2012	Alsace	France	38
	From the steep, south facing Sommerberg Grand Cru vineyards, this fantastic Riesling has 3 g/l residual sugar and displays intense flavours of peach, lemon, honey and smoke. Ripe fruits and minerals form a rich, subtly smoky finish. Fantastic elegance and balance. The vineyard is certified Organic

2410 Domaine Cauhapé Chant des Vignes Jurancon Sec In a quiet corner of south west France lies Domaine Cauhapé. In this secluded part of the country, within touching distance of the Pyrenees, Henri Ramonteau works on his 42 hectare vineyard. Only native varieties are planted here, including Gros Manseng and Petit Manseng. Both varieties are known for their electrifying acidity, a necessary trait given the clay soils on which they are planted. Clay adds richness and depth to wines so the varieties are well placed at Domaine Cauhapé to pick up these complementary characteristics. The Gros Manseng & Camaralet grapes for this wine are hand-harvested in small quantities at the beginning of October, de-stemmed, followed by whole bunch maceration for 12 hours and then gently crushed in pneumatic press. There follows a selection of juice (first pressing) and then maturation in stainless steel tanks on the fine lees for a period of 6 months.	2013	Jurancon	France	29
2420 Mas Puech Picpoul de Pinet Coteaux du Languedoc The literal translation of the name Picpoul is 'lip-stinger' because of its refreshing nature. A very easy-drinking dry white, with apple and pear flavours. It is a wine that goes perfectly with seafood and light lunches. The grapes here are harvested at night to preserve freshness, which is reflected in the finished wine.	2013	Coteaux du Languedoc	France	25
2430 Grenache Gris Blanc VDP Cotes Catalanes Domaine Lafage Grenache Gris is one of the hidden treasures of the Rousillon region. Usually planted in the middle of Grenache Noir parcels it is very rarely harvested or vinified separately. This highly aromatic varietal has white flower and anise notes and a crisp mineral finish. Fantastic with seafood, fish and Asian inspired dishes.	2013	VDP Cotes Catalanes	France	29
6020 Rivesaltes Ambre 50cl (DESSERT WINE, 50cl Bottle) A nose of honey and hazelnuts is evident in this wine. Beautifully balanced palate bursting with candied fruit and brioche flavours. Hand harvested, the rare Greanache Gris grapes are vinified with their skins. 60% of the juice is aged in 30 year old barrels under the "solera" system. 35% of the juice stays in concrete tank, away from natural air. The remaining 5% is aged outside in demi-john glass bottles, giving the golden oxidised colour.		Languedoc Rousillon	France	36

2500	Conto Vecchio Pinot Grigio An inviting nose of fruits with delicate floral notes. Dry and crisp on the palate with elegant light body. Grape harvesting time is established by testing the grapes to measure their degree of ripeness. The grapes are harvested when the intensity of their aromas reaches its peak. The wine is finished in stainless steel tanks at relatively cool temperatures, to preserve aromas.	2013	Veneto	Italy	24
2510	Morgassi Superiore Tuffo Gavi del Comune di Gavi DOCG A delicate Gavi di Gavi with intense floral notes, which give way to the sweetness of more intense white and citrus fruit aromas and an almost bitter finish, typical of the Cortese grape, alongside a very fresh, balanced finish. One of the leading estates in Piemonte, the Morgassi Superiore winery was created by Marino Piacitelli in 1993 and produces excellent wines from Cortese and Timorasso grapes grown in the terroir of Piemonte's finest vineyards. Produced in limited quantities, Morgassi wines are some of the finest examples of Gavi found anywhere in the region. The grapes for this wine are chilled in a cold store for 12 hours overnight after harvesting, they are then destemmed and soft pressed. The grapes are fermented and refined in stainless steel vats and then refined in bottle at least 4 months.	2012	Piedmont	Italy	41
2520	Soave Classico Monte Carbonare Suavia There are family-run boutique wineries, and then there is Suavia. Everything at this estate is done by one of the four Tessari sisters who have taken over from their parents. With plenty of hard work, Arianna, Meri, Valentina and Alessandra have taken Suavia on to the next level where it can rightly be regarded as one of the region's very best wineries. The wine is aromatic, lively and fresh with a fabulous concentration of flavour. This will make you look at Soave in a whole new light. The Garganega vines are trained to give low yields with the wine spending around 15 months on fine lees before bottling.	2012	Veneto	Italy	51
2530	Pinot Grigio Dolomiti IGT Lageder This is Pinot Grigio as you may have never seen before. Located in the German-speaking village of Magreid in the mountains of Alto Adige, Lageder runs his domaine on a completely sustainable basis. The vines (which have been farmed biodynamically since 2004) enjoy a long, sunny growing season with warm days and cool nights that help to preserve both the grapes' natural aromas and acidity. Aromas and flavours of pears, apples and elderflower, with hints of white pepper. This light-bodied white has a rich and smooth texture and a crisp finish and is made to meet the requirements of a Vegan diet.	2013	Alto Adige	Italy	39
2540	Fondo Antico Grillo Parlante IGT Sicilia The hills above Trapani in north-western Sicily are home to the beautiful Fondo Antico vineyards. The wines made are very much indicative of the new wave of Sicilian winemaking: exciting, accessible and, above all, great fun to drink. Temperature controlled fermentation and soft pressing of complete bunches takes place in stainless steel vats, delivering a wine that has a delicate bouquet of jasmine and floral aromas. The palate is extremely fresh with balanced acidity. The name? It literally means the Chattering Cricket (Grillo being the name for a cricket as well as the grape variety)	2013	Sicily	Italy	33
6030	Fattoria di Basciano Vinsanto del Chianti Rufina 37.5cl (DESSERT WINE, Half Bottle) This is a sweet dessert wine from one of the best Chianti producers in Tuscany. The Malvasia and Trebbiano grapes used to make this wine are dried after being picked to concentrate the flavour. The resulting wine has intense, sweet flavours and aromas, in particular of oranges, dried fruits and caramel.		Tuscany	Italy	40
6040	Recioto di Soave Suavia 37.5cl (DESSERT WINE, Half Bottle) This elegant wine has aromas and flavours of apricot, pineapple and grapefruit, together with notes of honey and sweet almond. An excellent long finish. The Garganega Blanca grapes are fermented in barriques with using native yeast strains. The wine is then matured in oak barrels for 24 months in contact with the lees, with no racking and with repeated batonnage. It is then aged for a further 12 months in stainless steel tanks before bottling.	2008	Veneto	Italy	65

2610	Cuatro Rayas Sauvignon Blanc	2013	Rueda	Spain	24
	Agricola Castellana has been producing wines in the Rueda for the last 75 years, and own some of the region's oldest vines. In a region with extreme variations in temperature and stony, dusty soil, this terroir creates unique characteristics within the Verdejo and Sauvignon Blanc varieties. Made to meet the requirements of a Vegan diet this wine has intense aromas and flavours of grapefruit, lemon, peach and summer herbs.				
2620	Cies Albarino Rodrigo Mendez Rias Baixas	2012	Rias Baixas	Spain	50
	Made from 100% Albarino, this wine is delicate and refreshing with flavours of citrus fruits, apples, and a delicate note of honeysuckle. Rodrigo Mendez's vineyards are not typical Galician vineyards: they're hidden away up in the mountains, surrounded by pine forests. (Don't worry, the vines don't miss the ocean winds because the high altitude keeps them at a steady cool temperature). The vineyards are quite isolated, which means Rodrigo is able to farm using organic methods as he does not have to worry about diseases or pesticides drifting in from neighbouring vineyards. He grows native Galician grape varieties and uses natural yeasts to ferment them. His wines are unlike other Galician wines you've tried before, but share the characteristic bright fruit flavours and zingy freshness.				
2625	Tomas Cusine Auzells	2013	Costers del Segre	Spain	38
	In Spain's Costers del Segre, Tomas Cusine has worked for years with his family's iconic estate Castell del Remei, an estate very much responsible for driving international interest in Catalan wines over the last 20 years. However, Tomas left the family business in 2002, setting up his very own winery where he crafts incredibly fresh wines by using a variety of grape varieties and mixing up early picked fruit with riper, fruitier berries harvested later in the year. Tomas is involved in every part of the production; viticulture, viniculture and packaging, and his attention to detail is phenomenal. This range of varieties is to achieve two important things, natural acidity and aromatic intensity, and these wines have it in abundance. He is one of the most skilled blenders of wines we have come across. A blend of Macabeo & Sauvignon Blanc this unique modern Spanish wine has a very bright green and gold colour, a wide range of aromas, including apples, pears, mangos, apricots, orange flowers, citric notes, green grass and aromatic herbs like rosemary.				
2630	Vivanco Rioja Viura Malvasia Blanco	2013	Rioja	Spain	27
	Dinastia Vivanco is one of Rioja's leading producers, making modern styled Riojas with the focus firmly on bright, juicy fruit flavours. The Vivanco wines are made exclusively from the family's vineyards, where intimate knowledge of the sites enables them to create some superb Rioja, packed full of rustic charm and fresh fruit flavours. Made from white grapes sourced exclusively from their best vineyards in Briones and Haro with an average vine age of 21 years. After a brief cold maceration of the whole grape (no more than 12 hours), the free run juice was fermented at a controlled temperature of between 12 and 15°C to retain all the expression and complexity of both varieties. After a brief period in contact with its fine lees, the wine was drawn off ready for bottling. Made from Viura, Malvasia and the extremely rare albino version of Tempranillo, Tempranillo Blanco.				
6050	Alvear Pedro Ximenez Solera 1927 37.5cl		Montilla-Moriles	Spain	39
	(DESSERT WINE, Half Bottle) This sweet wine looks and tastes like a sweet sherry. It has aromas and flavours of prunes and chocolate. It's sumptuous and rich, with concentrated fruit flavours on the seemingly unending finish. Warmer and more inland than Jerez, Montilla is Pedro Ximenez country and the grape is used for both dry and sweet wines. The latter are the most famous; thick, sticky, black-as-soot wines that coat your lips. Alvear's Solera 1927 tastes like all your Christmases have arrived at once.

2705	Quinta do Vallado Moscatel Galego This eighteenth-century Douro wine estate is actually one of the most modern-looking in Portugal. Although the team uses the traditional panoply of indigenous grapes, its methods are bang up to date and the results are nothing short of sensational. Fermentation, using the process called "bica aberta", lasted for nearly one month with temperatures varying between 14° and 16°C. To age, the wine was kept for 5 months in stainless steel vats. Very subtle aroma with floral savour of roses and peppermint. Delicate, with predominance of floral flavours and with a fresh finish.	2009	Douro	Portugal	36

When Ernst Loosen assumed ownership in 1988, he realized that with these ungrafted vines, averaging around 60 years old, in some of Germany's prime vineyard sites, he had the raw materials to create stunning, world class wines. Made from 100% Riesling grape, this wine has almond and vanilla cream co-mingled with melon and apple on a palate of satiny, lees-enhanced richness and vivid buoyancy	2013	Mosel	Germany	48
2730	Riesling 'H' Rheingau Prinz von Hessen Donatus Prinz von Hessen is a very engaging and down-to-earth guy, and in fact genuinely royal (436th in line to the British throne), and his wines are great! Donatus took charge of the family estate in 2005 when it was going through a slightly difficult phase and turned its fortunes around - they decided to change everything and got rid of 30% of the vineyards. The estate has holdings in some of the best vineyards in the Rheingau with 20 of the 30ha of vines planted on first growth sites. They are located on a wide sweep of south-facing vineyards on the Rhine. The vineyards are protected from the north by the Taunus hills and warmed by the sun to the south. It is the very heart of fine German wine production, with the ancient Schloss Johannisberg (where Riesling was first planted in 1720) located just behind one of PVH's vineyard. This Vegetarian friendly wine has luscious mouthfuls of lemon, freshly cut green apples and delicate quince. Fruity but not sweet; refreshing but not tart.	2013	Rheingau	Germany	25

2810	Black Stallion Napa Valley Chardonnay The 32 acre Black Stallion estate was once an equestrian centre with an indoor track and an outdoor arena that could seat 3,000 spectators. The indoor track now houses the winery but you can still make out the horse stalls around the property. Their wines are complex, elegant and really sing out their Napa heritage whilst delivering an almost Burgundian experience. Grapes are hand-harvested during the cool early morning hours to preserve the delicate flavours. Whole grape clusters are loaded directly into a Bucher bladder press for a very gentle pressing which allows the juice to be separated from the skins without contributing any harsh characteristic, and whilst fermented to leave only 1.0 g/l of sugar the wine still retains a fabulous richness.	2012	California	USA	50

2940	Huia Sauvignon Blanc In the hectic "make 'em, bottle 'em, 'open 'em and drink 'em" world of wine, it's a pleasure to come across a producer whose wines demand some proper thought and contemplation. We love everything about Huia, from the hand-made wines to the story behind them, to the brilliance of the winemaking. Established in 1996 after Claire and Mike Allan had done their time winemaking both in Champagne and elsewhere in Marlborough, Huia has quickly gone on to become synonymous with quality aromatic whites, Pinot Noir and sparkling wine from the Wairau Valley in Marlborough. Intense and fruity with zesty, lip-tingling gooseberry and lime notes underlined with just a hint of tropical passion fruit. Bright and fresh - but rounded too. Made to organic and biodynamic standards	2013	Marlborough	New Zealand	37
2950	Millton Te Arai Chenin Blanc James Millton is a living legend in the New Zealand wine scene. Journey's End is right at the heart of Stellenbosch, with one of the cape's most exciting terroirs. The philosophy in both the vineyards and cellar follows a minimum intervention approach to ensure the quality of the fruit shines through. Ever respectful of the environment, Journey's End use natural pesticides where possible to retain the area's biodiversity. In the cellars, winemaker Leon Esterhuizen handles the grapes as little as possible and uses pre-fermentation soaks to maximise fruit character. His sensitive use of oak ensures that the fruit always shines through in the glass. This wine is made from 100% Sauvignon Blanc and has aromas that are pungent and intense with flavours of ripe tropical fruit. The wine flavours remain for a long time cleaning the palate with its crisp refreshing acidity.	2014	Stellenbosch	South Africa	33

	<p>Marcel Lapierre was a leading light in France's natural wine movement until his untimely death in 2010. A hero to many winemakers he was one of the first to embrace biodynamics, wild yeast, and minimal use of sulphur. His son, Mathieu, holds the same values, producing fantastic wines as naturally as possible whilst ensuring the bottles reach the consumer in perfect condition. The domaine's Morgon is widely recognised as one of the finest wines in Beaujolais and very few wines can match it for sheer drinking pleasure. 100% Gamay and Organic certified. 3230	Chateau Tour St Bonnet Medoc	2008	Bordeaux	France	49
	<p>Château Tour St. Bonnet is a renowned cru bourgeois estate situated in the commune of St-Christoly at the far north of the Médoc. Its 40-hectare vineyard is superbly situated on the edge of the commune on a gravel ridge adjacent to the Gironde. Tour St. Bonnet's wine is made from a blend of 45% Cabernet Sauvignon, 45% Merlot, 5% Malbec and 5% Petit Verdot. Jacques Merlet, who runs the estate, is not of fan of new wood and the accompanying vanilla characters it imparts to wine - consequently, the wine is matured for 18 months in large oak foudres rather than the more commonly found small barriques.</p>				
3235	Chateau Penin Tradition Bordeaux Supérieur Rouge	2011	Bordeaux	France	31
	<p>This is brilliant Bordeaux for the money. This is one of the only non classified Chateau to be regularly tasted by the Wine Advocate and has also featured in Wine Pages, Decanter etc. The Carteyron family are first and foremost grape growers and you see this in the wine. They are not trying to make a Bordeaux wine, they are trying to make a good wine. The wine is a Merlot dominated blend but with 10% Cabernet Franc. The wine sees no oak ageing and is aromatic, fresh and complex. Over a meal it develops really beautifully and profile wise has more in common with Burgundy than Bordeaux.</p>

Regional France					
3420	St Chinian Cuvee Louise Domaine de Montplo Domaine de Montplo is located on a Villafrancienne terrace of gravel from the former river Cesse where the limestone rich soils are deep with good drainage, helping them to limit the negative effects of rain, especially before and during harvest time. The high altitude provides cool nights in summertime which ensure grapes like Grenache can reach full phenolic and physiological ripeness. Jean-Michel Consul only makes one wine which is a three way blend of old vine Carginan, Grenache and Syrah. Like the back three in any great French rugby team, each grape brings something different to the pitch. The Carignan offers rusticity and earthiness. The Grenache adds a splash of alcohol, structure and suppleness, while the Syrah steams in, Blanco-like, providing colour and sublime aromas of pepper, liquorice, spices and violet. An Organic certified wine that is also suitable for Vegans and Vegetarians.	2010	Languedoc-Rousillon	France	33
3430	Syrah Domaine La Croix Belle IGP Cotes de Thongue Soft and pretty on the nose with aromas of violet, cassis and sweet spices. ITALY		Vintage	Region	Country	Price
3510	Paolo Conterno Barolo Riva del Bric Established in 1886 in Monforte d'Alba, this family run winery has been dedicated to Barolo viticulture for four generations. Winemaking methods are traditional and the wines are classic examples of the perfumed, rich but structured wine of which Barolo is capable in a fine vintage. The estate is renowned for creating wines which are the quintessence of traditional Barolo: rich, powerful, massively structured, and capable of ageing in bottle. The Nebbiolo grapes are macerated and fermented in stainless steel vats. The wine is then aged in French oak barrels for 24 months before it is bottled. It ages in bottle for 12 months before release.	2010	Piedmont	Italy	79
3520	Vietti Dolcetto d'Alba Tre Vigne This Dolcetto, from one of the top Barolo producers, has aromas of black cherry, raspberry and hint of blueberries and minerals. An un-oaked wine, this medium bodied red has soft tannins, moderate acidity and good balance. The wine is fermented in stainless steel at fairly cool temperatures to preserve Dolcetto's black cherry, raspberry and blueberry fruit aromas. Prior to malolactic fermentation it settles to draw out the color and richness. The wine is then racked into different stainless steel tanks for natural clarification prior to bottling. Total ageing of 10 months in Slovenian oak. Bottled unfiltered.	2012	Piedmont	Italy	49
3530	Ripensato Corvina Veronese IGT This is a deep, rich Ripasso with black cherry aromas and flavours, intertwined with notes of espresso, allspice and cassis. It has a smooth texture, with just a hint of tannin on an elegant, fresh finish. Made from 100% Corvina grapes that are fermented normally and then placed for a few weeks on Amarone skins to macerate. This adds body, texture and flavour to the final wine. Ripensato is denser and richer than a normal Valpolicella.	2013	Veneto	Italy	25
3540	Villa Belvedere Valpolicella Classico Superiore Ripasso This wine has distinctive aromas of cherry jam, with some notes of vanilla and balsamic vinegar too. It is a rich, full-bodied wine with dried fruit and black pepper on the palate. Best enjoyed with food. Made from Corvina, Rondinello and Molinara grapes the wine then macerates on Amarone grape skins before a short second fermentation and 13 months ageing in wooden barrel prior to bottling.	2012	Veneto	Italy	33
3550	Amarone della Valpolicella Classico Nicolis This deep, complex red wine has aromas and flavours of flowers and ripe red fruits, accompanied by hints of forest floor and leather. Full-bodied and elegant, this wine has a powerful long finish. With 39ha of vineyards, including 15ha of the oldest and most prestigious land in the region, the Nicolis family is well placed to produce excellent wines. The wines run the whole range of the Valpolicella spectrum, from the anything but basic Classico and Classico Superiore, which establish a house style of vibrant, bright cherry fruit and ripe, elegant tannins, up to the epic dry Amarone and sweet Recioto. These latter two are made from grapes that are dried out almost to raisins in aerated lofts, concentrating the intensity of flavour.	2008	Veneto	Italy	99
3560	Castellare Chianti Classico Castellare di Castellina does not follow fashion. While many Chianti wineries have lost touch with their Tuscan roots and experimented with blending French varieties and local grapes over the past few decades, the wine made at Castellare keeps a strong commitment to the traditional Tuscan variety of Sangiovese, the original local name for Sangiovese. This wine is made from Sangiovese and a small proportion of the native grape Canaiolo, resulting in a wine packed with exotic dark fruit, flowers, mint and licorice, all of which come to life in a sumptuous, voluptuous style that is highly appealing. Layers of fruit build to the rich, creamy finish.	2013	Tuscany	Italy	46
3570	Banfi Col di Sasso Sangiovese Cabernet Col di Sasso, which translates to "Stony Hill", is a blend of Cabernet Sauvignon and Sangiovese cultivated on the most rocky and impervious slopes of the Banfi estate in Montalcino. The grape maceration does not last longer than 5-6 days, and takes place at a temperature of 24-25° C. This enables to obtain a good colour extraction without overloading the tannin structure and maintaining a good aromatic freshness. The wine then give some bottle ageing before release. A fine example of the modern "Super-Tuscan" style of wine.	2013	Tuscany	Italy	29

SPAIN		Vintage	Region	Country	Price
3600	Solarena Barrel Aged Tempranillo DO Carinena Solarena is a fantastic value wine that is ripe in character with spiced raspberry aromas. The winemaking process has been designed to get some lovely ripe, fruity, soft Tempranillo juice.	2012	Carinena	Spain	23
3620	Bodegas Campina Contadero Toro Joven Produced from 70+-year-old estate Tempranillo vines this is dark ruby-coloured, with a splendid bouquet of crushed rock, spice box, tobacco, lavender, black cherry, and blackberry. On the palate it is full-bodied, sweetly-fruited, spicy, and plush. Made from a high percentage of pre-phyloxera vineyards because phylloxera didn't affect the vineyards due to their sandy soils. The wine undergoes Criomaceration, alcoholic fermentation and maceration after alcoholic fermentation in stainless steel tanks, it's not clarified or filtered and the wine has no oak ageing.	2010	Castilla y Leon	Spain	28
3630	Damana 5 Tinto Ribera del Duero Damana 5 is a fantastic wine from Bodegas Tabula, who farm 22 hectares of limestone rich soil in Olivares de Duero, between Valladolid and Penafiel, on the far western side of the Ribera del Duero DO. It is dark and intense like all the Tabula wines, and it has a great nose of blackberries, black cherries, creamy notes of fine oak, some spices and underbrush aromas. All of these are combined perfectly in a medium to full bodied wine with an excellent finish that will match perfectly with many different kinds of food.	2011	Castilla y Leon	Spain	31
3640	Tomas Cusine Vilosell Costers del Segre A blend of predominately Ull de Llebre, the Catalan name for Tempranillo, along with Syrah, Merlot, Cabernet Sauvignon, and a smattering of Grenache and Cinsault, which when blended together deliver a wine that is bursting with red fruits, a bit of spice and some cedar wood. It is an intense, full-bodied wine. Tomas Cusine has worked for years with his family's iconic estate Castell del Remei, an estate very much responsible for driving international interest in Catalan wines over the last 20 years. However, Tomas left the family business in 2002, setting up his very own winery where he crafts incredibly fresh wines by using a variety of grape varieties and mixing up early picked fruit with riper, fruitier berries harvested later in the year.	2012	Catalunya	Spain	39
3645	Tomas Cusine Geol Costers del Segre Another stunning wine from the cellars of Tomas Cusine, this time a blend of Merlot, Cabernet Sauvignon and Syrah, with aromas and flavours of blackcurrants, liquorice, chocolate and eucalyptus. A full-bodied red with a silky texture and a powerful, persistent finish. The grapes are hand harvested and then stored in a refrigerated container (cooled down to approximately 4C). The fermentation temperature is kept at 22-26°C, and the malolactic fermentation and battonage take place in French oak barrels where the wine aged for 14 months before bottling.	2011	Catalunya	Spain	48
3650	Lagrimas de Graciano Rioja Made from 100% Graciano grapes which are pressed very gently, hence the term "Lagrimas" meaning tears reflecting the way the juice runs from the grapes, meaning the wine is full of fresh fruit flavours that aren't too earthy or overripe. A bright and refreshing wine has concentrated aromas and flavours of red fruits, liquorice and eucalyptus. Full-bodied, with an elegant balance of freshness, fruitiness and tannins.	2012	Rioja	Spain	29

	<p>Dinastia Vivanco is one of Rioja's leading producers, making modern styled Riojas with the focus firmly on bright, juicy fruit flavours. The Vivanco wines are made exclusively from the family's vineyards, where intimate knowledge of the sites enables them to create some superb Rioja, packed full of rustic charm and fresh fruit flavours. The Tempranillo and Garciano grapes are handpicked and quickly transported to the winery. After fermentation, the wine is aged in oak barrels for 24 months (50% new oak and 50% second use), and then for a further 4 months in larger oak vats. The wine then spends 24 months ageing in bottle before release. This results in a deep, rich red wine that has aromas and flavours of ripe blackberry, cherry and damson, with notes of spicy oak. Smooth, long tannins sit alongside the concentrated fruit flavours beautifully, with hints of toast and liquorice on the finish.</p>				

REST OF EUROPE

3680	Puklavec Family Heritage GOMILA Cabernet Merlot	2013		Macedonia	26
	<p>Christian Sauska is a Hungarian entrepreneur that established his career in USA. In 1999 he decided to establish a winery in his homeland. The vines are planted on brown loam and sandy soils over a limestone base, at 180-250 metres above sea level. After hand-sorting, the grapes were given a four-day cold soak, then fermented with a twenty-three day maceration in temperature controlled stainless steel tanks. 10% of the wine is transferred to French oak barrels and the rest remains in the tank to preserve the fruit character. This gives this wine a bright fresh harmonious blend offering cherry and raspberry fruit. It has slight pepper and a medium bodied palate.</p>				

THE AMERICAS

3810	Gnarly Head Old Vine Zinfandel	2011	California	USA	35
	<p>Gnarly Head produces a wide variety of wines from its base in California. It gets the best grapes to produce a house style that is fresh and fruit-driven. Gnarly Head has practically adopted the mission of changing the view that Californian wine is a bit of a one-trick pony when it comes to food and wine matching. Made from Zinfandel grapes with a small proportion of Petite Sirah that adds fresh fruit flavours and deep colour. Overall a big fruit driven wine that packs a punch.</p>				

3820	Morgan Santa Lucia Highlands Twelve Clones Pinot Noir	2012	California	USA	68
	<p>Morgan is our sort of American winery. The prices are affordable, there is no over-reliance on shiny new barrels, and above all, the wines are balanced, elegant and delicious with food. It's a winning combination. Made from 12 clones of Pinot Noir, the grapes are picked then hand-sorted in the vineyard. Upon arriving at the winery, the grapes are sorted a second time before being de-stemmed. Whole berry fermentation is started using native yeasts in small, open top tanks. Three times each day the cap is gently punched down by hand. After fermentation, the wine is transferred into a combination of 43% new and one- and two year-old French oak casks. The wine aged for almost a year before being bottled</p>				

3830	Black Stallion Napa Valley Cabernet Sauvignon	2012	California	USA	60
	<p>The 32 acre Black Stallion estate was once an equestrian centre with an indoor track and an outdoor arena that could seat 3,000 spectators. The indoor track now houses the winery but you can still make out the horse stalls around the property. The grapes are sorted and de-stemmed, then transferred into stainless steel tanks for fermentation. During fermentation the wine was pumped over multiple times throughout the day. The wine is then transferred into French oak barrels for malolactic fermentation. Aged 18 months in barrel before bottling. Crammed with juicy dark berry flavours such as blackcurrant and cassis, this wine is full-bodied and velvety.</p>				

3835	Charles Smith Velvet Devil Merlot Colombia Valley	2012	Washington	USA	35
	<p>Winemaking is the new rock 'n' roll. Or in Charles Smith's case it is the new Danish thrash metal. Charles spent a decade in Europe managing various bands you have never heard of (unless you misspent your youth in disused warehouses near the Copenhagen ring road) before seeing the light and heading to Washington State to plant vines. Classic Merlot aromas of dark cherries, cedar, pipe tobacco. Anise, stone and cherry blossoms.</p>

3840	Garzon Tannat	2012	Maldonado	Uruguay	37
	This red wine represents the signature Uruguayan grape varietal that has found its ideal soil in Garzon. This expression of Tannat is an intense red and black fruit wine with lingering aftertaste, freshness and softness. This wine is fermented in both new oak casks and steel vats in order to soften out the tannins and to retain the characteristic black fruit flavours found in the Tannat grape.				
3860	Loroseco Reserva Carmenere	2014	Valle Central	Chile	26
	15 years ago everyone thought that the grapes used to make this wine were Merlot, but it was realised they actually are the variety, thought to be nearly extinct, Carmenere. Similar to Merlot they produce juicy black fruit style wines but with a spicy and green edge to the flavour. This wine in particular has concentrated aromas of blackberry, black cherries and notes of pepper spice. Made from fruit sourced from the four sub-regions of the Valle Central just outside Santiago (the Maipo, Rapel, Curico and Maule valleys) Loroseco produce a range of excellent varietal wines that are a clear step up from those found on supermarket shelves, but at a price that won't break the bank.
